Petition No. 1100 dated 18th March 1895 from Syed Mohomed, Khazi of Hoskote, Bangalore Talk DK.

and

Bangalore Deputy Commissioner's report thereon No. 206 dated 19th August 1895.

No.	Village in which the Inam land is situated	Nature of Land	old area	old Assessment	Jodi
			K M	R A P	
1	Kannamangala	Dry	0.10	25.4.5	nil
2	Inami Dodakere	wet	1.0	14.8.9	
3	Halaganahalli	Dry	0.4	1.7.3	
4	Kadgudi	wet	0.10	8.11.8	Sarvamanyam
	Total		2 4.	48.0 1	

The facts of the case are:—

The Inam lands noted in the margin have been granted for the performance of the Khazi service at Hoskote; and at the Inam Settlement held in 1873, the lands in question have been registered under the head "Devadaya". In August 1861, the petitioner's father and uncle who were then Khazis alienated the lands Nos 1 and 2 to one Rangaswami Iyengar under two separate mortgage deeds each for Rs 250-.-.

2. The petitioner Syed Mohomed, who is now the Khazi

163

states that his remuneration for the service he performs as Khazi, has been materially curtailed by the alienation of the two Inam lands above referred to and that the yield of the remaining two Inam lands is quite in-adequate for his maintenance and prays therefore that the Government will be pleased to cancel the mortgages in question and restore the alienated lands to him under the provisions of Rule II Clause B of the late Chief Commissioner's Notification of the 17th November 1877.

3. Krishnaiyar, the agent of the original mortgagee's sons, in whose possession the alienated lands now continue, declines to give up the lands unless he is paid a sum of Rs 600- Rs 600, towards the liquidation of the original mortgage debts and Rs 100 for expenditure since incurred for the improvement of the lands—.

But the petitioner pleads

inability to pay any portion of the mortgage debt.

4. The Deputy Commissioner in submitting the records of the case, solicits the orders of Government in the matter of the alienation of the Inam lands under adverlance.

Note -

5. It seems doubtful if the Notification of the 17th November 1877 would apply to the present case; for, Rules I and II are so worded as to make that Notification applicable to "Inam lands granted to religious and charitable institutions, and for the maintenance of persons rendering service therein"; whereas, the alienated Inam lands under adverlance, though classed under the head 'Devadaya' at the Inam Settlement, have been granted only for the performance of Khazi service - a service not rendered in or in connection with any religious or charitable institutions. The next question will be if the present case is one in which any

is called for.

To,

Secretary to the Dewan of Mysa.
Muzrai Department

The humble petition of Syed Ahmed
Khazi of Hoskote.

Most respectfully Sheweth:

That your petitioner is the son of the late Syed Mahomed Gouse alias Peer Padsha sahib, the Khazi of Hoskote, and that Inam lands both dry & wet to the extent of 2 Candies and 4 Kollagas have been granted for rendering the Khazi's service. These lands are in Kannamangala, Amani Doddere, Hullapanhulli and Kadpur villages in the Hoskote Taluk. The Khaziship is enjoyed in your petitioners family in hereditary succession. After the death of his uncle and father your petitioner succeeded as Khazi of the place, the duties of which he has been performing for the last 6½ years. But the income derived is so poor that your humble petitioner

finds it hard to live from hand to mouth. His late father Syed Md. Ghouse sahib and his uncle Sahib Ali Sahib mor- tgaged the dry and wet Inam lands &c. at Kannamangalam and Amani Doddere in 1861 to one Mr. S. Kamaswami Iyengar of Madras, and this took away the help which the incumbent in the office of the Khazi received for the maintenance of himself and the family. Your humble petitioner being very poor and entirely depending for his maintenance on the emoluments he receives finds it very hard to perform the functions of the Khazi without income and to maintain a large family, the office being the sole means of its support.

Since the object of the grant of the Inam lands is for rendering Khazi's service, they are thus not liable for mort- gage under Government Notification No. 266 dt. 17th November 1877, and which was recently published in the Inam Department.

Authenticated copies of the extract from the Inam register obtained from the Inam Department are herewith submitted for your kind perusal with a request that you will be pleased to ins- titute an enquiry ~~with~~ into the matter and order the restoration of the Inam lands to your humble petitioner so

that he may be able to devote his time and energy to the satisfactory performance of the duties attached to the hereditary office of the Khazi which he holds.

For which act of kindness and charity he shall ever pray for your honor's long life and prosperity

I beg to remain

Sir,

With reference to your official Memorandum No. 193 dated 6th Instant, forwarding for report petition of Syed Ahmed Bokhari, Khazi of Hoskote regarding the restoration of the Khazi service Inam, I have the honor to state that for rendering the Khazi service, dry and wet lands situated in Kannamangala and other villages in Hoskote Taluk, have been granted

by Government. Some of these lands have been mortgaged to one Rangaswamiengar of Hookse in August 1861 and are enjoyed by ~~these~~ him ever since. The mortgagee agent, Krishna Iyengar, has no objection to give over the mortgage lands if the full mortgage amount and other expenses ~~have~~ are ~~been~~ paid. The petitioner (Syed Ahmed) expresses his inability to pay this amount and states that unless these lands are restored, the service cannot be properly discharged. As the transaction has taken place before the issue of the Chief Commissioner's Notification of 1877, the matter is referred for the final orders of the Government.

The Vernacular papers ~~are~~ also enclosed.
